CHARLES R. LINN
COMPLAINANT

DECLARATION OF ROBERT B. JOBE

I, Robert Jobe, declare under penalty of perjury as follows,

1. I have been practicing immigration law exclusively for 17 years.
2. I have represented many clients in situations legally analogous to Mr. Ali's. Many of my current and former clients have been subject to mandatory detention under USC § 1226(c) and have sought relief in federal district court, through direct appeals to the Board of Immigration Appeals and the 9th Circuit, and through adjustment of status and asylum.
3. Mr. Ali, who has been in ICE custody since July of 2007, has an adjustment of status hearing on December 13, 2007. Our firm is currently preparing for that hearing. Because Mr. Ali may need a discretionary waiver of the ground of inadmissibility relating to crimes involving moral turpitude, and will need to present multiple witnesses, it is unlikely that Mr. Ali's removal proceedings will be completed that day. Moreover, if the government or Mr. Ali appeals the Immigration Judge's ruling, it is likely that Mr. Ali's removal proceedings will not be completed until the middle of next year.

I hereby certify that the foregoing is true and correct, and that this declaration was executed in San Francisco, California on September 12, 2007

Robert B. Jobe
